

THE SECOND PRE-ANNOUNCEMENT OF THE MICHAELMAS CONFERENCE OF THE FIRST CLASS OF THE FREE HIGH SCHOOL FOR SPIRITUAL SCIENCE AT THE ESOTERIC YOUTH CIRCLE (CIRCLE OF 12)

08.09.2023

May human beings hear it!

If, in the near future, in four times twelve human beings, the Michael Thought becomes fully alive — four times twelve human beings, that is, who are recognised not by themselves but by the Leadership of the Goetheanum in Dornach — if in four times twelve such human beings, leaders arise having the mood of soul that belongs to the Michael festival, then we can look up to the light that through the Michael stream and the Michael activity will be shed abroad in the future among mankind.

Because this is so, my dear friends, I have made the effort today to rise up and speak to you, if only in these few short words. My strength is not sufficient for more today. May the words so speak to your soul that you receive the Michael Thought in the sense of what a faithful follower of Michael may feel when, clothed in the light rays of the Sun, Michael appears and points us to that which must now take place. For it must even be so that this Michael garment, this garment of Light, shall become the Words of the Worlds, which can transform the Logos of the Worlds into the Logos of Mankind...

The last address by Rudolf Steiner (GA 238)

Dear friends, these words from the last speech of Rudolf Steiner were addressed to the hearts of all Michaelites in the hope that there will be at least 48 brave souls out of the millions of members of this karmic group incarnated on the Earth who will make Anthroposophy the main thing in their lives.

This call begins to resound with renewed vigor as it approaches its hundredth anniversary, September 28, 2024, and, in any case, in the time of Michaelmas that is coming right now. Therefore, at the upcoming conference, we can sincerely and resolutely respond to the appeal of our Teacher, not only in word, but also in deed. And although the prophetic words of Rudolf Steiner have already been fulfilled that if the cause of Michael does not win on the Earth, then civilization will be at its tomb, but even if even now we perceive the thought of Michael and it will shine in our consciousness and in our Souls, then the horsemen of the Apocalypse will be stopped, while they clearly march all over the world.

In order for the cause of Michael to be victorious on Earth, the Anthroposophical Society must become an esoteric society, that is, the Anthroposophical Society of the Christmas Gathering, in which the Anthroposophical Society and the Anthroposophical Movement are one whole thing!

A unique chance for this is the centenary cosmic cycle of the Christmas Gathering, through which at the forthcoming Christmas Conference it will be possible to renew the action of the Foundation Stone substance, in order to skillfully direct it further towards the resurrection of the Anthroposophical Society itself and then to bring Anthroposophy to its culmination in the world.

But, as the folk wisdom says in various numerous legends, in order to receive Living Water, one must first sprinkle the chronic wounds of the Anthroposophical Society with healing Dead Water. From the point of view of anthroposophical medicine, disease is an imbalance between inflammatory and tumor processes. In the social organism, tumors arise due to all manifestations of selfish aspirations that pull the blanket over themselves and unfold to the detriment of the whole. Inflammation is, in contrast to such activity, complete passivity, indifference, deep mental sleep for fear of leaving the comfort zone. Rudolf Steiner revealed in his lectures "Awakening to Community" (GA 257) how illegal activity destroyed the AS and even led to the Goetheanum's death. At present, this selfish destructive activity is manifested in rabid and unconstructive criticism, which does not solve the obvious numerous problems at all, but only sows squabbles, enmity and splits.

Modern anthroposophic impulses make it possible to accomplish the occult-healing effect of dead water. It consists in balancing the two opposing forces from the Christ middle. That is, those beings that cause passivity and consumerism must be balanced by the power of Christ with beings that cause destructive criticism. Then their poisonous sting will be torn out from subjective opinions, and the objective healthy mental core of these opinions will become the beginning of objective and positive activity, which will no longer lead to destruction, but to the creation of AS.

This will provide an opportunity to immerse the healed body of AS into the deep mystery of the Christmas meeting and fill it with substance. This will be the culmination of all the preliminary work that has taken place in our Easter and St. John conferences, access to records of which can be requested.

Everyone who is not indifferent to the fate of the Anthroposophical Society and the future of all mankind, which directly depends on whether Anthroposophy reaches its culmination, can show their goodwill and join the Michaelmas Conference, which will be held simultaneously in two spaces: offline at the Goetheanum and online in the spiritualized space of the Virtual Goetheanum.

Only in the right mood, in a clear consciousness and brotherly love can we again experience the Foundation Stone of Love in our souls and bring the rhythms of meditation itself and the Rhythm of the Christmas Gathering into resonance for the active procession of Anthroposophy in the world. This is how Michael is pointed out by the wise sign revealed to us by the Doctor in the same last lecture of his:

Springing from Powers of the Sun, Radiant Spirit-powers, blessing all Worlds! For Michael's garment of rays Ye are predestined by Thought Divine. He, the Christ-messenger, revealeth in you — Bearing mankind aloft — the sacred Will of Worlds. Ye, the radiant Beings of Aether-Worlds, Bear the Christ-Word to Man. Thus shall the Heralds of Christ appear To the thirstily waiting souls, To whom your Word of Light shines forth In cosmic age of Spirit-Man. Ye, the disciples of Spirit-Knowledge, Take Michael's Wisdom beckoning, Take the Word of Love of the Will of Worlds Into your soul's aspiring, ACTIVELY!

The Christmas Conference Initiative Group invites all people of good will who are awakened and hear the call of Michael to participate in the Michael Conference from September 27 to October 1 in order to consolidate all anthroposophical initiatives for the preparation of the Christmas Gathering's centennial, the renewal of the Foundation Stone substance and directing it to the healing of the social organism.

We welcome your questions to the first notice that you care about. What is important in the same spirit you would like to convey through your own report at the conference to its participants? What questions would you like to ask us?
